

## Home Delivery Talking Points

### **RemindMe<sup>SM</sup>** — Do you know about our fantastic RemindMe program?

- You can have single doses of your pet's flea, tick and heartworm meds delivered to your home once a month on the day they need them
- You'll never have to worry about forgetting a dose again
- You only have to pay for one dose at a time instead of a full box all at once
- Shipping is free!

### **AutoShip** — Do you know about our convenient AutoShip program?

- You can schedule regular deliveries of your pet's food and medications at your convenience
- No more lugging heavy bags of food home from the store
- Shipping is free!

### **General Home Delivery Program** — Did you know that we have a Home Delivery pharmacy program?

- We have a convenient online store where you can order your pet's medications and food, and have them delivered right to your front door
- You can schedule regular deliveries with AutoShip with no shipping charges
- With RemindMe, you can get single doses of your

pet's flea, tick and heartworm meds delivered once each month on the day they need them with no shipping charges

### **Food** — Did you know that we carry a variety of quality pet food in our online store?

- You can have your pet's food delivered right to your front door
- Shipping is always free
- You can schedule regular deliveries with AutoShip
- No more lugging heavy bags home from the store

### **About Vetsource** — We've partnered with Vetsource to offer you the convenience of online ordering and Home Delivery

- Vetsource is the only industry-approved veterinary Home Delivery pharmacy service
- All of the products in their human-grade institutional pharmacy warehouse come directly from the manufacturer
- You never have to worry about counterfeit or expired products
- Their strict quality control standards account for an error rate of less than 1 in 20,000
- You can order products in our practice or from our online store and have them shipped right to your door
