EL TERRENO - BELLVER - PROPERTY DESCRIPTION

Property description

Completely renovated town house, in the middle of the lively neighborhood of El Terreno – a real oasis.

Modern lines combined with warm, noble materials give this property a very unique style. Whether or not you would like to use the house as your main residence or as a second home – thanks to the underfloor heating you will find it cozy even in the colder months.

Even though centrally located, the neighborhood is very quiet. You will never get bored, as the property is close to the center of Palma with its numerous restaurants and boutiques – or whoever likes watersports, the harbour of Palma is only minutes away..

Further extras: airconditioning h/c, underfloor heating, pool, modern Infotainment system and many more. This property is perfect for family and friends!

Location

If you like an exciting lifestyle, you will love the neighborhood of El Terreno. Living in this place means to be close to the numerous markets, restaurants, bars and shops of Palma de Mallorca.

The property is in an urban surrounding and still is a true oasis: the garden and pool offer tranquility and balance to the hustle and bustle.

The international airport can be reached in about 15 minutes only. Moreover three excellent golf courses - Son Vida, Son Quint and Son Muntaner - as well as the two marinas - Club de Mar and Real Club Nautico - are very close by.

If you wish to spend a relaxing day at the sea, the famous beaches of the south-west of Mallorca are within a short drive.
