WHAT ARE YOU GETTING?

EXPLAINING OUR VALUE

SOCIAL MEDIA & BRAND AUDITS

We take an in depth look at your social media accounts and brand vision. We then assess where adjustments can be made and identify your strong points!

IDEA GENERATION

This service is designed to help you generate impactful ideas and help you funnel them into wonderful pieces of art. Whether it's a personal project or commission work, we're here to assist.

PLAN STRATEGIZING

We will sit down together virtually and create a plan on how to execute your vision. Assistance ranges from advising on gear and settings to use, to creating a social media plan.

MARKETING MATERIALS

We understand that aesthetic has become quite important in the industry. We provide the materials for photographers to run engaging ads. Whenever you may need an appealing graphic, we can assist.

WEBSITE DEVELOPMENT

This service includes professional website development with 'WIX.' You will also have the free option to receive a one on one lesson with us on website management.
