CYBER VISION
JOINT VENTURE, LLC

When you work with Command Cyber Solutions (CCS) and Vision IT (VITC) you get a Government contracting partner backed by years of proven experience. With CCS being a subsidiary of the Potawatomi Business Development Corporation (PBDC), an American Indian Tribal (AIT) Corporation, you benefit by having a small, highly-responsive team that boasts access to the capacity and resources of a fully-fledged corporation.

Together Command Cyber Solutions and Vision IT offer a diverse range of services in Program Management, Information Technology, and Cyber Security Services. Our program management framework integrates our key competencies to provide the best solutions for our customers, and brings accountability, dependability, reliability, and expertise to each program we support. We are committed to program management excellence to ensure that our customers meet their mission goals and objectives on time and within budget.
