

JUDY JACOBS

ABOVE AND BEYOND

PRELUDE TO A BREAKTHROUGH

We have come together as believers
To establish this fact
That Jesus Christ is Lord to the glory of God the Father
And we declare that this is our time and our season
To reclaim all the territory that the enemy has stolen
And we have positioned ourselves in the spirit realm
To receive all that God has for us and more
And we are ready - shout ready!

We say to the forces of darkness
You have no control in our lives
Now is our time for the breakthroughs and the miracles
And the Word says it's ours
So I say to you today get ready
For the anointing to be released to the forces of the nation
Get ready Get Ready Get Yourselves READY!

GET READY

Chorus

Get ready, get ready, get ready, get ready
It's a brand new season now, anything can happen

Verse

Something great is about to happen,
That's what I hear HIM say
There's a stirring in my spirit,
Something great is on his way
Although I can't explain it
I know I will obtain it
The pressure's great, the hours late,
Get ready don't hesitate

Bridge

Like seasons change, it's a brand new day
Suddenly, your life can change
All the old will be made brand new
Heard the voice of GOD, as He's calling you

Vamp 1

Get ready, get ready, get ready, get ready
I got it, I got it, I got it, I got it
It's a brand new season, anything can happen, get ready

Vamp 2

I believe that I will receive it,
I can see that I will achieve it
Breakthrough, my breakthrough is here
You're the LORD of the breakthrough
Get ready, get ready, get ready, get ready
I got it, I got it, I got it, I got it
I believe that I will receive it.

LET THERE BE JOY

Verse

Isaiah 51:11 says this
Therefore the redeemed of the Lord shall return
And come with singing unto Zion
And everlasting joy
Shall be upon their heads

Chorus

They shall obtain gladness and joy,
They shall obtain gladness and joy
And sorrow and mourning will turn to singing and dancing
And your weeping just for an evening,
But joy comes with the dawning,
Let there be joy

Joy is coming in the morning time, O
Joy is coming

WHAT'CHA GONNA DO TODAY LORD

Verse

What'cha gonna do today, Lord?
What'cha gonna do today?
A miracle, sign, or wonder?
What'cha gonna do today?

Chorus

We got Expectation
we're ready for you now
Demonstration
Come and show your power
Transformation
we're desperate for a change
Take us to the place where we will never be the same

if it's a healing, Lord do it
If it's a miracle, then we say yes
If it's a sign, God we're ready
We expect you, Lord, to bring that thing to pass

Verse

Healed the sick, and You raised the dead
Broke loaves of bread and thousands were fed
Opened blinded eyes to see
Came to set the captives free
Healed the mute so he could talk
And touched the lame so he could walk
Though they hung You on that tree
You rose again triumphantly

Miracles, signs, and wonders
I anticipate the inevitable, supernatural, intervention of God
Miracles, signs, and wonders
Do what'cha gonna do

BECAUSE OF WHO YOU ARE

LET THE VEIL DOWN

Verse

Behold, hanging before you
is the sacrifice of God
The Lamb pure and holy
Creation stands in awe
removing all that hinders
for worship of our King
As He cries it is finished
Heaven sings

let the veil down
Let the praise go up
Let the veil down
Let the praise go up
Let the veil down
We're the presence of the Lord (repeat)

We come before You
With a sacrifice of praise
I'm singing a song
Here in this holy place
The Lamb of God
We raise

For the One who stood reminding
Us of all our sins
He has been torn away
And now we can go in
(we can enter in)

TURN AROUND

Chorus

God said He would turn it around
God said He would turn it around
What the devil meant for evil, God will make it good
Turn around, turn around, turn around

I know it may be midnight
But joy is soon to come
Turned around, turn around, turn around

Chorus

Give Him all the praise, cause God is in control
Turn around, turn around, turn around

Bridge

Beauty for ashes,
Joy for my pain
Praise for my sadness,
As I remember His name
Mourning into dancing
Sorrow into joy
Everyday will be sweeter,
Than the day before.

WE SPEAK TO NATIONS

Verse

Hear the sound
The sound of the nations calling
Hear the sound
The sound of the fatherless crying
Who will go for us
Who will shout to the corners of the earth
That Christ is King

Chorus

We speak to nations, be open
We speak to nations, fall on your knees
We speak to nations
The kingdom is coming near to you
We speak to strongholds, be broken
Powers of darkness, you have to flee

We speak to nations
The kingdom is coming near to you
We speak to you
Be free, be free

HEAL OUR LAND

Verse

If my people, who are called by my name
Shall humble themselves,
Humble themselves and pray
We are your chosen ones,
A people called by your name
Humbly we seek your face,
Lord hear us as we pray

And heal our land, heal our land
Hear from heaven Lord, and heal our land
Heal our land Jesus, heal our land
Only you can do it Lord, hear from heaven Lord
Please heal our land

Verse

We are the called out ones,
We are the body of Christ
Clothed in your righteousness,
Lord hear our humble cry

Chorus

In times like these we need a Savior
In times like these we need an anchor
I'm very sure hallelujah, yes I'm very sure
My anchor holds and grips the solid rock

LET THE CHURCH RISE

Verse

A dark cloud is gathering over the world
filling nations with fear
They're building up warheads, and the reasons are still unclear
Terror, that's Satan's diplomacy child
He pursues his global schemes, gentle people with gentle land
Fall slave to his regime
But our war is not with flesh and blood, but against the powers of
darkness that rule nations

Chorus

So let us rise and move the gates of hell,
Let us rise and move the gates of hell
The weapons of our warfare are mighty through prayer
To the pulling down of strongholds of darkness
Yeah let us rise, let us rise

Verse

A dark cloud is gathering
Over this land of liberty, as the prince of darkness
He proclaims lives
Unborn children have no right to life, no choice to live or die
Satan is using pornography
To parade his fleshly wares, he's turning the hearts of men into animals
As we the church we complacently stare
But in the name of Jesus
We've got to bind this enemy, for the souls of all mankind

Chorus

And let the church rise let's move the gates of hell
Let the church rise and move the gates of hell
We're standing in the whole armor, in the of our God
As we wrestle for the souls of our nation

And greatly to be praised

Jesus, we'll shout it and proclaim it
Jesus, no other name above the name of Jesus

I'm gonna tell the world,
Tell them of YOU

Your name is great,
Your name is Awesome
