# PROP 50

VOTE YES ON  
**PROP 50**

UNION CARPENTERS  
**DEFEND OUR  
DEMOCRACY!**

## GET THE FACTS ABOUT PROP 50: *THE ELECTION RIGGING RESPONSE ACT*

- ✓ **Protects Davis-Bacon Prevailing Wages** – By supporting fair maps, Prop 50 helps reduce the number of anti-carpenter seats in Congress that might try to weaken federal prevailing wage law.
- ✓ **Benefits Union Carpenters** – Fair maps mean fair representation. That protects our communities' fair share of federal dollars for wildfire recovery, disaster relief, housing, and infrastructure – creating and protecting good union jobs while keeping our neighborhoods together.
- ✓ **Stops Political Power Grabs** – Emergency maps ONLY come into play if Texas politicians try to tip the scales in their favor.
- ✓ **Temporary Safeguard** – Expires in 2030, keeping California's Independent Election Commission intact for the long run.
