

Donald A. Galade

Is money really the root of all evil? In his new international best-selling book *In God We Trust; the Dollar We Worship*, Donald A. Galade takes on this age-old question and more.

His successful Biblically Responsible Investing book has become a self-help tool desired by families and churches alike. The Bible talks about money more than Heaven, Hell, or salvation! If GOD mentions it so much, all Christians should understand those scriptures!

In God We Trust; The Dollar We Worship is a MUST HAVE educational tool needed in every church, small group, and home library. This is the perfect study guide for your small group or Home School class.

Money is a very emotional subject when discussed from the pulpit, the dinner table, and even the grave site, thus the topic is often avoided. This book is not all about giving or tithing, although those topics are mentioned.

Don uses his vast worldly experience of over three decades in financial services as well as thousands of hours of Bible study on the topics most important to guide Christians through a financial journey called life.

This easy-to-read book teaches on many scriptures that refer to wealth and riches and spoiler alert: **MONEY IS NOT EVIL!** The scriptures are all written out in the in the book, so the reader does not have to look up each bible reference as they study.

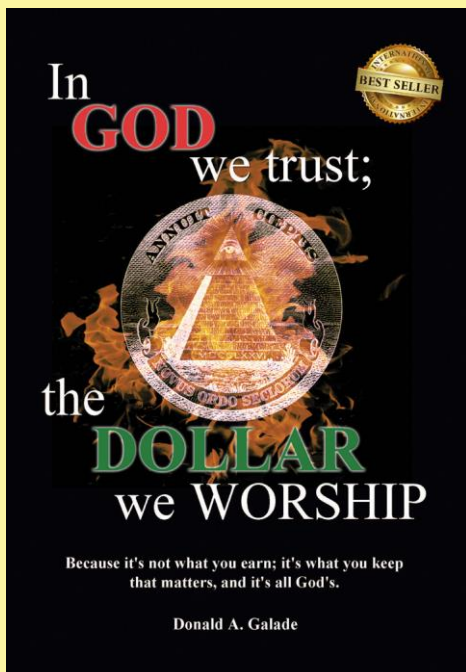

Donald A. Galade is the author of the international best-selling book *In God We Trust; The Dollar We Worship*, a book that encourages readers in their faith and their ability to become better stewards of their resources.
