

# Macy Littler

**Queen of Diamonds** — After racking up eye-popping stats and elite honors at the high-school level, Macy Littler is ready to make a splash in the Horizon League as she takes her elite talents to the Youngstown State Penguins.

A perfect example of a player forging her own path, she put in the hard hours to develop her game as one of the best softball players in Western Pennsylvania, while helping lead her high school and travel teams to victory.

Now she'll be bringing that same intensity and discipline to both her new team and her college studies in exercise science on her way to becoming a physical therapist.
