- Flashcards

The Children's blends are uniquely formulated to offer the younger users a positive essential oil introduction by using milder aromas and careful plant selection to avoid unnecessary sensitization in immature, thin skin and smaller bodies. Intentional early introduction is the perfect way to empower children to safely learn personal application methods and experience the power of healthy, nurturing touch and gentle massage with caregivers.

THIS IS NOT AN ENROLMENT KIT, BUT IS SO WORTH MENTIONING. USE THE BOOKLETOPTION TO ENROL WITH THIS KIT
