

Some general informations about the order process, how to reorder and our menu

Please don't consider to order a waffle dish without a waffle.

bullig is dedicated to my Grandma's (waffle) recipes and we are known for our waffles. Meaning, this is the wrong place for disliking waffles ;)

Please order and pay directly at the Counter.

If you have been our guest before Hurricane Ian this might be news to you. Unfortunately we had to switch to this "Hybrid Service" model so we can keep dedicating ourselves to crafting and serving your delicious Food and Drinks.

bullig is a Scratch Kitchen. Batters, Sauces, Peanut Butter, you name it, we make it here. Every. Day. And Because we make limited quantities we might run out of one or the other at some point.

bullig is a "Contact Kitchen" Nuts, Dairy and Gluten are an integral parts of our menu. If you are highly allergic please talk to us. We might not be a good choice for you. Also, our **"Gluten Sensitive"** & **"Vegan"** items are made in house with entirely GF or Vegan ingredients, but run the risk of cross exposure.

And just in case, **Disrespectful behavior is NEVER tolerated at bullig.** Neither towards my team, nor towards our guests, furniture, property, nature aso.
