

Our PREP Times on Drinks & Food can be anywhere between 10 to 60 min.

I know right...60 min. Like ...wow.

Some examples that can cause a longer wait are that every waffle is made to order, we might have a bunch of pick up orders right ahead of your order and/or we are sold out and have to produce more.

Therefore please ask the Team for the current Wait Time to decide if bullig is fitting into your day today.

Wait times are estimates only, based on the best information available at that time, and may be subject to change.
