**JulesJae: «Every day on cam I
learn/experience something
new»**

JulesJae is a webcam model and content creator that I've met on Twitter. She's a friendly spirit, funny and kind.

Hey guys, I'm JulesJae! Treat me well, & I'll treat you better! I am webcam Model, content creator. Before this I was a Jack of all trades, & a master of none.

I started online sex work with Streamate in November of 2020, & haven't looked back since! I'm originally from a VERY small town in Louisiana.

I was always that small town girl, with big city dreams! I am now currently in Las Vegas. The city of lights, entertainment, & second chances. I LOVE IT HERE!

What can you say about your experiences so far as a cam model? Oddly enough I am super shy & an introvert. So being on camera for the world to see me wasn't super easy right away.

Learning my client's, what they like, don't like. What I liked & didn't like! I learned kinks, fantasies, fetishes I didn't even know of myself.

Every day on cam I learn/experience something new, & I think it's safe to say that

will always be the case for me. Know your boundaries and stick to them. I love what I do so I am willing to do «ALMOST» anything once!

I really have had an all-around positive experience so far & I am super grateful for that & all the continued support from my clients. LOVE YOU GUYS.

How do you find balance between your personal life and your professional life? As far as personal & professional life, this is something I struggle with & I am still trying to find that perfect balance.

I want my clients to know me just as much as I want to know them, what they like about me or don't. What gets them going... what tickles their pickles & kitties in some cases 😊

Although I am still trying to find the perfect balance, I have learned it is EXTREMELY important & OKAY to decompress from time to time, mentally & physically take a breath of fresh air with no expectations, & just go off the grid.

It is also vital to find a personal support system. If I don't do this, I feel like I am not the same model & start to burn out! & I always want to be my best self for all of you.

When you're camming, do you think that is more complex than just taking your clothes off? ABSOFUCKINGLUTELY, it is SO MUCH MORE than «just» getting naked.

In fact, sometimes we even put clothes on in sessions for clients who have certain kinks, taboos, fetish, roleplays. (Who knew how hot that pair of fluffy socks & bikini would turn out to be after all) It is not a walk in the park at first.

However, I've always been very sexually intune with myself & known who I was for as long as I can remember.

Before I became a sex worker, I was actually in the lifestyle «AKA a swinger» The «unicorn» which actually makes this career very enjoyable for me. I AM MY clients

safe/FUN place.

My room is a place where we can be ourselves freely, I genuinely enjoy helping people express themselves sexually in a way no one else will let them.

Or just being a naughty girl in generally is always a great fucking time. A place to make fantasies come true. A place where I can be who or whatever I need to be for that particular client/session.

I love to please. Pleasing you, pleases me! » NO REALLY» I get excited when I get to see that cum shot... that is our main goal after all right? Orgasm lots & lots of orgasms.

Or maybe not, denial is fun too! I am definitely more submissive, although I do play dominant roles from time to time. Which I also love.

Every day is a new adventure on camera. The saying, «same shit different day» Is never the case in my line of work. 😊

The meaning of your work, do you find it empowering/rewarding and what's your work philosophy? *I am a sex artist, changes life's one cum load at a time.*

It is both empowering & rewarding to me. I LOVE TO read the comments & tags my clients leave me after our fun sessions.

My work philosophy... BE YOU, DO YOU, FOR YOU! ALWAYS EXPECT THE UNEXPECTED.

BUT, MOST OF ALL HAVE FUN, & FUCK A TON. 😊

How did came up to your artistic name? *This was quite simple for me. Jules is actually my first name... & my friends always called/call me J, OR JAE JAE, SO JulesJae it was/is!*

In your opinion, what's the worst thing about social/culture/financial institutions stigma, related with adult industry? *The Peanut Gallery* is always going to have something to say. There are SOOO MANY stigmas when it comes to our industry.

I mean really the list goes on and on... & I could talk about this for hours. At the end of the day people are going to talk, regardless of what you choose to do with your life, so I say FUCK IT AND DO WHAT YOU WANT ANYWAYS.

Those who mind, don't matter, and those who matter won't mind... SO LIKE I ALWAYS SAY REMEMBER TO SHOW LOVE & SUPPORT TO ALL YOUR FAV CAM

MODELS/INDUSTRY WORKERS ANY CHANCE YOU GET. YOU NEVER KNOW WHEN ONE OF US OUR HAVING A SHIT DAY & NEED YOU THE MOST.

What makes you laugh, happy, and what makes you angry, sad? EYE COULD TELL YOU BUT IT WOULD BE SUPER CORNEA. «SEE WHAT I DID THERE» (Corny jokes) BABY CARROTS, AKA SMALL PENISES. & HATERS.

I love sunny weather, water, books, and cooking, & spending time with friends & FEW family members.

What makes me sad/angry is... rude/stuck-up/fake/judgmental people «EVERYONE'S SHIT STINKS» & not getting my way «I guess that makes me a brat»?

When did you decide to start to work in cam modeling? I was moving, & looking for a new opportunity, when this career fell in my lap.

My sister-in-law who is also a cam model introduced me to the industry. I have always been opened minded so when she told me I was immediately intrigued.

Do you watch your own work? Sometimes I do & sometimes I don't...just depends on my mood, I guess! I RARELY watch it with audio... I don't like listening to my own voice.

How do you feel about your work achievements? I am super proud of everything I have achieved in this industry so far; I have «CUM» a long way.

When I look back from when I started till now, I had to work my ass off to get where I am now, starting off on that very last page of the Streamate Models... sitting in my cam room for hours & I mean HOURSSSSSS.

No views, for the most part except every hour or so, a few potential members, sitting there staring at a blank screen getting a one-on-one OR group session maybe once every hour... but I stayed consistent put in the grind & hard work.

And I am so happy I didn't give up. (Even now you will see me live sometimes for 18 hours at a time. I LOVE WORKING LONG STREAMS, I feel like this is when I'm my best self & totally Intune with everything on my screen in front of me) It's not always easy but at the END OF EVERY LIVE STREAM ITS ALWAYS WORTH IT TO ME.

What are your fetishes, and your fav masturbation method? There is a LONG list of fetishes that I am into, being watched on camera in a one-on-one hot, filthy, slutty session is the ultimate turn on for me, knowing it's just me & you, & how hard/wet you are watching me.

MY FAV MASTURBATION IS IN THE TUB WITH MY VIBRATOR.

What are your favorite movies and music? *Movies OMG so many but my top 5*

1. The Silence of the Lambs.

2. Donnie Darko.

3. Blow.

4. Basic Instinct.

5. Top Gun.

& MY FAV MUSIC

I COULD LITERALLY NOT LIVE WITHOUT MUSIC & I PROBABLY KNOW ANY &

ALL MUSIC, I'D RATHER BE BLIND FOR THE REST OF MY LIFE, THAN NEVER HEAR MUSIC AGAIN (FUN FACT) BUT TWO FAV ARTIST WOULD HAVE TO BE MARILYN MANSON & KEVIN GATES.

And your favorite food, drink, and season of the year? FAV FOOD, GREEK OR BURGERS.

FAV DRINK, LEMON DROP MARTINI, IRISH COFFEE, STRAWBERRY FANTA.

FAV SEASON, fall.

How do you see yourself in 2023, with your projects and also in 10 years? In the next 10 years I do plan on being almost retired and living abroad.

Right now I do solo work only, I do hope/plan to meet some new people in the future that I would be comfortable enough to do some collaborations with.

I don't have an OF as of yet, I am working on one now & a shit ton of content to go along with it! In 2023 I plan to keep doing what I love & that is making you cum, draining your balls, soaking your panties, you leaving my room satisfied & always ready for more fun with me!

If you were just a little intrigued by this & you want to know, more come, see me live on streamate.

Don't be shy I PROMISE I don't bite... unless you want me to!

Yours TRULY, XOXO;) JulesJae.
