**LANGUAGE: HAITIAN CREOLE/FRENCH**

## **THE WORK**

The revival in Haiti is great. Haiti has over 500 churches and counting. There are many opportunities to be involved in preaching, teaching, training, and building new churches.

## **BIBLE SCHOOL**

Our Bible school is thriving, with over 120 students every year. We had 33 graduates in 2022 & and 28 in 2023. There is a great need for those who have a burden to teach this great apostolic doctrine to a hungry generation of Haitians.

## **CHILDRENS HOMES**

Haiti has 2 children's homes with a capacity of 10-20. These precious children are being educated, fed, and housed. They are a joy to work with and the opportunities are endless to be involved in the essential work in Haiti.

## **MINISTRY OPPORTUNITIES**

Evangelizing in the local churches, teaching/working in the Bible School, working with the children's homes, coordinating groups, national administrative work, coordinating disaster relief.
