

Zoser

Pronouns: He/Him/His

Location: Seattle, WA

Genre: Pop/Soul

“As much so as having honed his style down to a recognizable, calm and **reflective core**, Zoser writes in a consistently **contemplative** fashion. *Evolve* aptly details the process of **growing, learning, changing**, and remains focused for the most part on a loving sentiment – a perfect encapsulation of the qualities implied by its title.”

ABOUT THE ARTIST

Zoser is a singer/songwriter and music bender. With an alluring voice, thoughtful lyrics, and a guitar, music grounds this Georgia native as he engages with audiences through the Puget Sound. Zoser's music travels effortlessly between pop, folk, and hip hop, but always strikes the listener's soul.

Inspired by: Lenny Kravitz, Childish Gambino, Andy Grammar, Ed Sheeran, John Mayer
