FLAWLESS

IV drips help to beat fatigue, increase your energy with a specialized blend of antioxidants, electrolytes, multivitamins and those essential fluids that your body is craving.

Flawless, IV Cocktail, is a hydrating age defying mix B12, fluids, Vit C, extra Glutathione, B12, Electrolytes

PRP

The PRP serum contains a concentration of the healing components which can be used on the face, scars, neck, scalp and eye rejuvenation. It's help with skin regeneration and the creation of normal cells. It also helps in the building of the layer of collagen and structure under the skin.

TOX

Botox can treat lines on the upper face, brows, horizontal lines on the forehead, and crow's feet around the eyes. These lines are caused by smiling, frowning, squinting, and other facial expressions.
