

## TRINITY HEMP ABOUT US

**Trinity Hemp** was formed and founded with the idea of the consumer in mind. Our industry experts bring a combined knowledge of 30+ years in the hemp, CBD and cannabis industries. Our roots run deep at Trinity Hemp, and our passion and commitment to creating quality and value in our products is the core foundation of what we do.

**With lots of other products to choose from you may ask yourself *why choose Trinity Hemp?***

### QUALITY

To maintain the highest quality standards Trinity Hemp is vertically integrated. All products are created in-house and never outsourced. Trinity Hemp's Motto is "Quality Never Compromised" – this is not only a bench-mark for our products, but also for how we conduct business and treat our partners and customers.

### SATISFACTION

We offer a dead stock guarantee on all products. We will work with you to swap out any products not selling after 60 days with a different product from our line-up that better aligns to your customer needs. Your satisfaction is our top priority.

### VALUE

We strive to deliver high quality products that increase the value proposition for retailers and consumers. We keep our products cost competitive while never sacrificing quality.

### TESTING

All products are tested through the finest accredited labs and have a Certificate of Analysis for every batch.

### TIMELINESS

When you're waiting for products you're not making money. Products purchased from Trinity are shipped within 72 hours.

### MARKETING MATERIALS

We're happy to provide you with the marketing materials you need to ensure a successful experience for both of us that leaves your customers walking away impressed. Whether it be flyers, posters, catalogs or T-shirts you name it we got you covered.

### INSURANCE

We carry product liability insurance on all of our products so you can feel safe selling Trinity products.

### PACKAGING

Our creative team is always at the forefront of coming up with attractive and uniquely designed product packaging that stands out to the end user.

### RELIABILITY

To ensure quality and performance, we rigorously test all devices we use with our products to ensure quality and performance.

### VARIETY

Our countless flavor options allows the end user a multitude of choices.

### RETAIL

Packaging designed to maximize retail store's ROI.
