

“So Much More” by Xavier Omar

[Verse 1]

Who would've thought that we would make it here?
Knew that our hearts would overtake our fears
So we grow and we learn from each other
From "Hello", to just friends into lovers
So glad you took a chance on me

[Pre-Chorus]

I'm not saying that I
I'm not the perfect man, you don't ask me to be
You're not a perfect girl, but somehow

[Chorus]

Baby you're so much more
So much more
Than anything I dreamed of
I prayed a thousand prayers
I found someone who cares
And so much more than anything I dream of

[Verse 2]

We had our phases, we've been through changes
Hard to be patient, it was worth waiting
They can't erase it, baby we've come so far
And I want you to know that I'm here (Here)
By your side (By your side)
Come day (Come day)
Or night (Or night)
Whatever you do make sure your love don't ever
change

[Pre-Chorus]

I'm not saying that I
I'm not the perfect man, you don't ask me to be
You're not a perfect girl, but somehow

[Chorus]

Baby you're so much more
So much more
Than anything I dreamed of
I prayed a thousand prayers
I found someone who cares
And so much more

[Bridge]

A love this strong deserves to last forever long
You're the only one I call
You've loved me through it all

[Chorus]

So much more
(You've been my closest friend)
So much more
(And I only wanna love you)
I prayed a thousand prayers
I found someone who cares
And so much more

[Outro]

If you feel it, come on sing it with me
Ooh-oh-ooh-oh-ooh-oh
Ooh-oh-ooh-oh-ooh-oh
Ooh-oh-ooh-oh-ooh-oh
If you feel it, come on sing it with me
Ooh-oh-ooh-oh-ooh-oh
Ooh-oh-ooh-oh-ooh-oh
Ooh-oh-ooh-oh-ooh-oh

It's the lyrics for us...
