# PRESERVING YOUR STRIPS

Each pack of Color Street nail strips is designed for a one-time use. However, if you carefully seal them you can usually preserve them for a little while. The trick is keeping air out. Because our nail strips are 100% real nail polish, they will dry out when exposed to air.

Color STREET does not promote or guarantee the saving of strips, as they are for one time use. However I haven't had any trouble when using this method.

TRY TAKING A Q-TIP SOAKED IN NAIL POLISH REMOVER AND RUNNING IT ALONG YOUR NAIL NEAR THE CUTICLE.
