

Mojelo

Urban/pop

African Hip-Hop, # Dancehall, # Trap, # Reggae, #emo

Pretoria, South Africa

Bio:

Mojelo is a South African multi-genre artist, songwriter, producer, mentor and Ha Boi Productions' Co-founder and Chief of Operations. An amazing character and person if you get a chance to know him well. He is quite an all-rounded whole musician and producer who is passionate about the development of the craft and creatives that make art. He has extensive experience in music, having worked with great artists and producers, e.g Veli Shabangu, Mahotella Queens, Lutan Fyah, Tony Rebel, Queen Ifrica, Bolo J and the late Jazz legend George Lee Larnyoh who was Mojelo's personal music mentor for over two years. Mojelo fuses various styles of music from Hip-Hop, soul to Afrobeat and Dancehall to create unique sounding music material with a distinguished taste. Currently also producing and mentoring various artists not only in studio production and performance but also in Entertainment business.

Mojelo

Mojelo is also a well-traveled globe trotter, who has been to a lot of countries in Africa, the Americas, and Europe where he served various communities through the various organizations including the UN that worked with. Thus, his experience sets him apart and gives him a holistic outlook at the arts, entertainment, and people in general. Also a popular weed connoisseur and medicinal cannabis advocate, Mojelo advocates for the free use of herbal plants. Look out for more music, artists, and growth from this African creative, executive and entrepreneur.
