

Kenzie Weiland

Focused Forward ——— checking in at 6' 0", Kenzie Weiland is a force to be reckoned with on the hardwood, but her passion for sports doesn't end when she leaves the court. When she's not handling the rock, she's a Fan Engagement Intern, part of the social media team for Capital University Athletics, and her team's Student Athlete Advisory Committee (SAAC) representative.

Majoring in marketing and public relations, Kenzie has the ability to identify trends and come up with exciting content that gets brands noticed. Her drive to succeed in everything she sets her mind to, along with the skills she's learned in her experiences in sports marketing, give her a winning edge moving forward.
