

Exciting Message For All
Friends & Families of
**OLATHE NORTH
HIGH SCHOOL**

From the desk of Jason Herman

Have you heard all the buzz? Our school district has been on the ground floor of a new way to fund our school programs that doesn't require spending extra money or adding events to our packed calendars.

Dozens of local **businesses have pledged a % of every purchase** to go back to the school group(s) of your choice - academics, activities, or athletics!

By downloading the app and supporting local businesses when you dine, shop or need services, you will generate funds. The app is full of area businesses who love supporting our kids.

Respectfully asking you to do me a favor....
