## Personal Statement

Dedicated, self motivated artist with a lot of passion who is also behind the scenes as an engineer, producer, songwriter with over 20 years of experience looking to showcase my vast abilities in a challenging environment to elevate my craft and share my many talents with the world.

## Work Experience

**ACEFAM Productions \* 2015 – Present**

**Music Producer / Songwriter / Studio Engineer**

- Manage multiple projects with deadlines and deliver them on time including instrumentals, lyrics, singles, full albums, visuals, and more
- Set rates, schedule clients and daily itineraries to maintain a professional environment
- Write, license, and self publish multiple songs, including several albums through distribution
- Worked with established artists ( Larry Blackmon, Zeek Wonderlen, Yowda,+)
- Ensure project and media files are backed up and archived
- Showcase excellent communication, listening, and interpersonal skills with individuals & groups
- Develop all technical documentation
- Direct, edit, and sync visual and audio files for music videos & social media content

**Pierre Jovan Studios \* 2012 – 2015**

**Studio Engineer/Producer**

- Arranged musical compositions around an artist to achieve a specific musical style
- Serviced writers/producers as a ghost producer and ghost writer
- Composed, arranged, and recorded over 200+ original songs
- Worked with established artists ( Jeremih, Johnny Caz, Gee Pierce,+)
- Worked on the development and implementation of new procedures which initiated the whole sound production process
- Provided clients with musical direction to ensure quality work
- Using social media such as Facebook and YouTube to promote business
- Produced and performed on original compositions such as R&B & Pop for multiple projects

**Studio 4 \* 2005 – 2011**

**Studio Engineer/ Composer**

- Assisted clients with producing, composing, and engineering quality sound recordings
- Setting up recording equipment in a studio or on site at a client's location
- Accountable for building steady relationships to ensure a steady clientele
- Using the latest electronic equipment and industry tech to record
- Worked with established artists ( Skip Martin, Sanjaya Malakar, Mishon Ratliff, +)
- Managed the needs and requirements of artists including proposing creative ideas
- Produced songs for freelance artists and independent record companies
- Performed demos of compositions for future recordings
- Taking down audio equipment after event and storing it away properly
