## THE WORK

The Windward Islands are the southern, generally larger islands of the Lesser Antilles and part of the West Indies. There are 90+ islands, with approximately 854,000 people scattered through the islands. The work is growing; there are 1300 constituents, 11 churches, and 8 ministers. Currently, the focus is on the French-speaking island of Martinique, the English-speaking islands of St. Vincent, and Grenada. Travel can often be challenging, but there is much to be done on these beautiful islands.

## MINISTRY OPPORTUNITIES

There is a desperate need for training and preparing ministers, Bible Schools, evangelism efforts, seminars, and much more. The use of technology could open many doors. Knowledge and skills in that area would greatly impact the work there.
