

PULSE

Use Pulse, our HSSE management tool, to report **incidents, near misses or any potential hazards** you see. They will be dealt with as quickly as possible by your HSSE team.

Download the "Enablon GO" app on your smartphone via Google Play or the App store.

Scan this QR code to connect.

Provide as much information as possible about the event and submit a report.

SEE IT. REPORT IT.

PULSE

KEEPING US ALL SAFE.

**All Health, Safety, Security and Environment incidents or near misses are required to be reported as per the WFS Group HSSE Policy.*
