DESIGNER / INFLUENCER / STUDENT

about me

Hi! My name is Harley Cheatham! I am a 23 year old entrepreneur based in Campbellsville, KY. With an extensive and growing education in influencer marketing and branding, I have a passion for collaborating with other individuals and businesses. As a small business owner, I understand the need for unique content and find joy in putting myself out there to assist others. Also to mention, I am a Humanz Influencer Marketing Academy Graduate!

Unlike most influencers, my services are usually for trade.

***Profit doesn't matter, supporting your business does. ***

my content

I create a wide variety of content (mainly lifestyle, beauty, health, and fashion) not only my personal page but for my business account as well. Saying so, I have worked with brands such as Purlisse, Earthly Body, Necessaire, Peloton, Gatorade,, Elizavecca, Engrave to Remember. and many more! Review some of my work by visiting the guides catalogue on my Instagram page.
