

# About me

Ivory, known as My Gameplay Diary, is a lifelong gaming enthusiast who delights in sharing her gaming experiences with her community by crafting stories through her gameplay. With her wit and humor, she offers a refreshing perspective on cozy and comforting gaming. Her positive, upbeat energy has helped her build a vibrant community across various platforms, where followers eagerly tune in to watch her explore a diverse range of games, including virtual reality, simulation, MMO, and MMORPG genres.

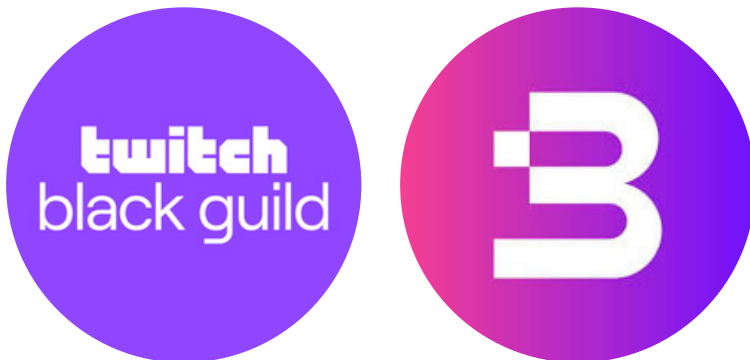

When she's not streaming, Ivory enjoys hosting a monthly book club with her community or tackling puzzles live on stream. She actively engages with her audience on Twitch, YouTube, TikTok, and Twitter. Ivory primarily reaches women aged 25-34 in the United States. Additionally, Ivory fosters community interaction through her Discord server, where members can discuss a wide array of topics beyond gaming like Books & Brunch, their monthly book club. **@MYGAMEPLAYDIARY**
