# AS SIMPLE AS THE VIDEO!

- Support businesses on the app when you dine, shop or need services.
- Pay with a linked card (Visa, MC, or AMEX).
- Businesses give back a % of each purchase to your school group(s).

POTENTIAL IS REAL!

- Whether you turn a snack into $0.14 or generate $200 by purchasing new countertops, it all adds up.
- First year results in Olathe, Kansas show users on pace to generate $30-$150 per year without spending more money or adding anything to their packed calendars.

What if 100 parents/friends generated $100 from everyday spending for our school ?
$100.00 x 100 = $10,000!

RESULTS ARE REAL!
