

ENABLE DATA ROAMING

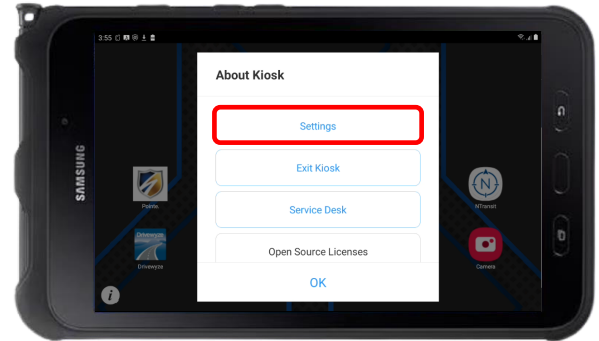

Guide for troubleshooting Galaxy Tab Active 2, 3, 5's

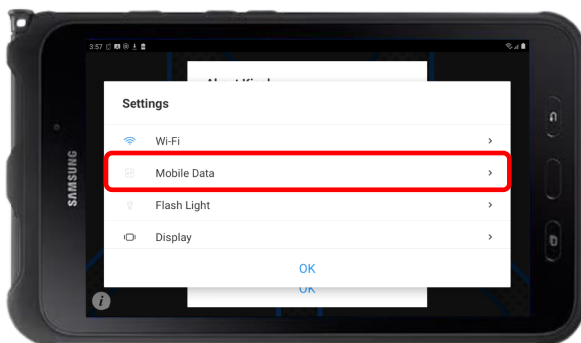

1 Tap the "i" icon at the bottom left.

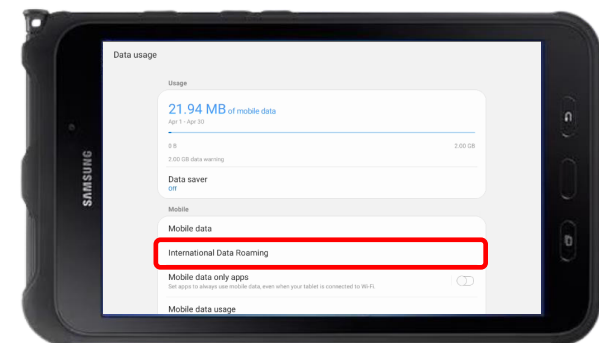

2 Tap **Settings**.

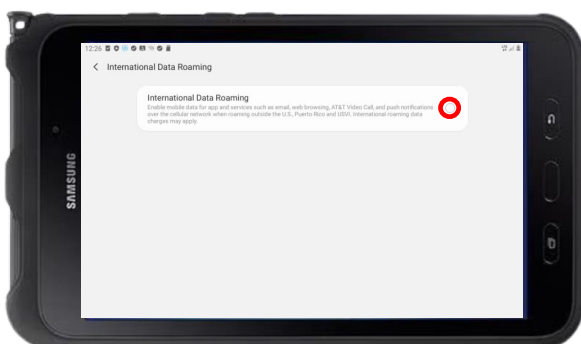

3 Tap **Mobile Data**.

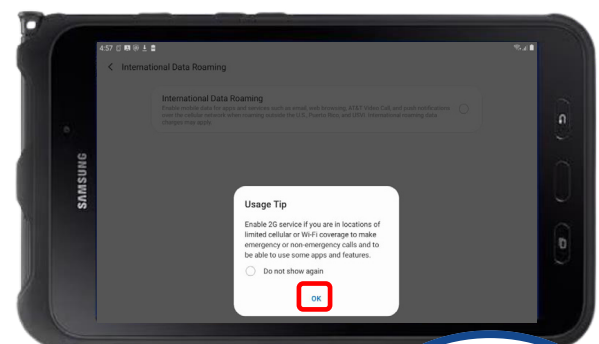

4 Tap **International Data Roaming**.

5 Tap bubble next to **International Data Roaming**.

6 Tap **OK**. Data Roaming is now enabled!
Pro Tip: to further enhance signal, encourage user to restart tablet as well.
