GERMAN BURGERGRILL

FOOD & DRINKS

Our Fairytale

>>There is no man under the sun as fortunate as I <<

declares Hans of the well-loved tale, HANS IM GLÜCK. There was once a boy named Hans, who was rewarded in gold by his master for the dutiful work he had carried out for seven years. On his journey home, he came across a horseman who asked why he was travelling on foot and offered to trade his horse for the giant gold nugget. Hans obliged, and as he went along his way, he met several others who offered to exchange his horse for a cow, his cow for a pig, his pig for a goose, and finally his goose for a grindstone. Soon enough, he felt weary and stopped by a well for a refreshing drink. As he rested the grindstone on the side of the well, it slipped and fell in. But he was not upset – in fact, he was overjoyed and thanked God for ridding him of the heavy stone. With unburdened shoulders, he went on his merry way home to meet his mother.

HANS IM GLÜCK elevates the humble burger into a never-boring, healthy, nutritious, and delicious meal – with something for everyone.
