Our locally farm raised 100% grass fed tallow has been infused with vanilla bean, organic calendula flowers, and local yarrow to support healing, stimulate collagen production, minimize pores and fine lines, and reduce inflammation.

The Original Blend additionally contains raw African shea butter, organic jojoba, organic sunflower oil, organic avocado oil, and my signature essential oil blend (lemon, lavender, bergamot, palo santo). This combination is known to moisturize and support the natural skin barrier, provide anti-ageing benefits, protect from free radical damage, and supply vitamins A, C, D, and E.
