

At-A-Glance

Smart, simple coverage starts here. Protection for your business, your family and your employees.

Founded in 1972, LegalShield originated from a vision to make legal services both affordable and accessible. Today, we take pride in serving over 4.5 million individuals and 140,000 businesses throughout North America.

LegalShield's provider law firms showcase an average tenure of 22 years within the company. LegalShield offers a suite of small business plans, and a portfolio of legal and identity services, commercial driver's legal plans, and a variety of supplemental plans to meet our member's needs.

How your small business can benefit from LegalShield:

Make educated decisions instead of "stressing and guessing": Without access to affordable legal advice, businesspeople often "stress and guess" and make uninformed decisions that can lead to bad legal outcomes.

Affordable monthly rates vs high hourly rates: As LegalShield's monthly membership rates are so affordable, you no longer have to choose between trying to fix complex legal problems on your own or hiring an expensive lawyer.

Be proactive, don't play defense: You have access to legal help from experienced lawyers whenever you need it.

With LegalShield, you are not alone. Three levels of Small Business coverage are available.
