

ASHP Accredited since 1974

MOUNT CARMEL EAST

PGY1 PHARMACY
RESIDENCY

Fast Facts

Positions: 2

Applications Due: January 2,
2025

Resident Benefits:

- Competitive annual stipend
- Monthly food stipend
- Education and travel allowance
- Free parking
- Full benefits including paid vacation time and health insurance
- Mentorship program
- Commitment to resident wellbeing

Program Description

With our mission statement in mind, we believe pharmacists are essential members of a multidisciplinary team, working together with other health caregivers to provide the best care to our patients. The resident will be exposed to a wide range of patient populations and given the opportunity to work concurrently as a clinician and educator. Our goal is to teach, model, coach, and facilitate the residents' ability to be independent and render the best care to our patients. The Post Graduate Year One (PGY-1) residency at Mount Carmel East is an advanced training program structured to develop and hone a resident's communication and clinical skills to become a confident, competent pharmacist who can provide effective pharmaceutical care to patients in the acute care setting, as well as to set the foundation to pursue a PGY-2 residency and/or faculty position. We hope the mission of our organization will be a guiding principle to our residents as they utilize the skills they have acquired.

As a PGY-1 at Mount Carmel East, the resident will be based out of Mount Carmel East as a primary hospital and will be exposed to opportunities at multiple sites. This will give the resident exposure to different practice sites, patient populations, and exceptional preceptors within the year.

Our Purpose

PGY-1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY-2) Pharmacy residency training.

Residency Leadership:

RPD: Joshua Musch, PharmD,
BCPS

Program Coordinator:
Andrea Flowers-Anderson,
PharmD

Wellness Coordinator:
Melissa Palausky, PharmD

Preceptor Coordinator:
James Batey, RPh

ASHP Accredited since 1974

MOUNT CARMEL EAST

PGY1 PHARMACY
RESIDENCY
