Meet Steve: Your San Diego Coastal Real Estate Concierge

In the world of San Diego coastal real estate, one name stands out above the rest – Steve. His journey began in 2004, a Chicago transplant with a burning passion for real estate. Today, he's your go-to expert for coastal properties.

Steve isn't your average broker; he's your strategic partner in this dynamic market. His deep knowledge of coastal properties is your secret weapon. He knows the restrictions, exceptions, and untapped potential like the back of his hand.

For nine successful years, he led his own brokerage, and since 2019, he's been an integral part of Compass. His approach is calm, meticulous, and focused on delivering results.
