

BMW TECHNICIAN RECOGNITION BMW TECHNICIAN PIT/RACE CREW PROGRAM

Where: Opportunity to join the pit crew of one of four BMW Customer Racing teams in the SRO Motorsports circuit. This is a live pit crew where technicians and shop foremen will be actively working on the race vehicles to prep and be ready for test, practice, qualifying and race days.

How it works: Dealer managers have the opportunity to nominate one technician per center for an upcoming race in their region. Final selections are made by BMW regional teams.
