work

MOST MISSIONARIES ARE CALLED BETWEEN 13 - 19.

PRESENCE

We will work to engage the emerging generation where they are. Our team of NextGen workers will be present at the places students are called.

PARTNERSHIP

We are working to create seamless transitions through partnership with the National Youth Department, AIM, Called and Youth Alive.

PATHWAY

An emerging generation on a journey needs a pathway. We are working to build out an 8 year long pathway that connects the next generation from their point of calling to their place of calling.

**7,400 UNREACHED PEOPLE GROUPS REMAIN
AROUND THE WORLD. ENGAGING THE NEXT
GENERATION CAN'T WAIT.**
