

## SERVICE GUIDE

FOR ENTERTAINMENT AND PRODUCTION SERVICES

[WWW.SIGHTNSOUND.COM](http://WWW.SIGHTNSOUND.COM)

# A FUN COMPANY FOR FUN PEOPLE

*Sight & Sound Events is a professional multi-award winning event production and entertainment company showcased in Las Vegas, Nevada. Since 1994, we have provided clients with superior service in entertainment allowing them to tell incredible stories. Let Sight & Sound Events connect the dots and infuse your special day with the energy and fun it deserves!*

*As we look over all of the achievements we've accomplished in the past few years we can say, "we're proud of this." It's a good feeling knowing that we are able to deliver incredible service. Incredible service comes from an incredible team, with incredible leaders. To make a big impact you have to touch those around you and make a lasting impression. Our work in special events has earned us multiple industry awards:*

SIGHT & SOUND EVENTS

# DJ/MC ENTERTAINMENT

*The party starts here!*

# DJ /MC ENTERTAINMENT

## Do you want to have fun?

Show your guests a good time by choosing the right entertainer. Express yourself with music that resonates your personal style. We build close working relationships together so you can create an event that is both special and amazing.

# The Advantage

01

Stress-free Coordination

02

Personal DJ Specific to You

03

Online Event Management

**Online Planning Account:** Full event production planning online. Choose songs, dances, and special events all within our system.

**Unlimited Song Requests:** Choose every song you want! We recommend selecting 3 of your favorite genres then letting us mix the rest.

# The Service

**DJ/MC Entertainer:** This is a 2-in-1 combo! Our Disc Jockey reads your crowd and plays the right music, plus makes important announcements as a Master of Ceremonies. The sole responsibility of this individual is to keep you on schedule and keep the party going at the same time!

**Professional Audio Sound System:** Includes x1 Wireless Handheld Microphone for toasts, speeches, and announcements. Plus x2 Professional Loud Speakers to get the dance floor moving! Good enough for crowds up to 200 people.

# How it Works

**Planning:** We'll collaborate together to create your vision. After listening to your ideas we'll create a concrete plan. Then schedule your Official Design Session 10 days before your event to solidify the details.

**Setup:** Our team brings their own equipment for setup. We arrive up to 1.5hr early before start time. Breakdown is included.

**Payment:** A 1/3 balance retainer is due upon signing of your agreement.

# PHOTO BOOTH

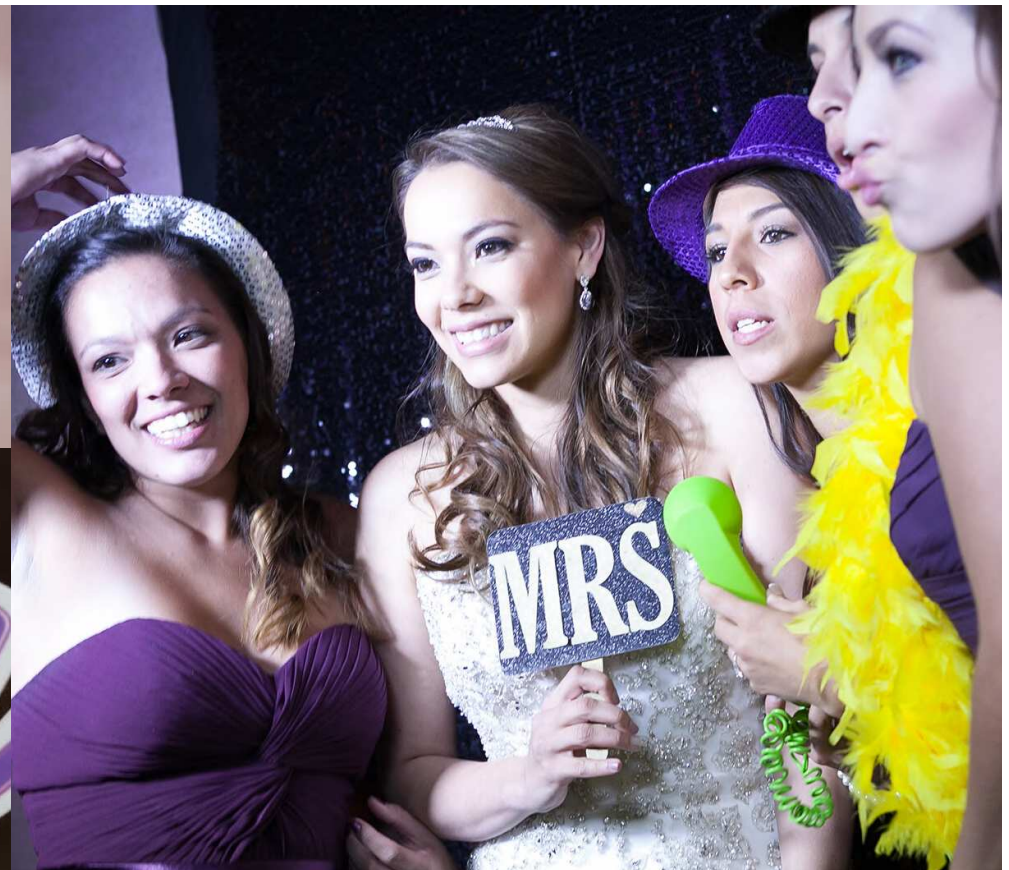

*Let's get close!*

# PHOTO BOOTH

## Need more engagement?

Allow your guests to show their wildside. Everyone will be talking about how fun your event was! Your attendees will have a physical memory they can take home with them.

# The Advantage

**01** Live Attendant to Boost Up Energy!

**02** Crazy Fun Party Props

**03** Choose Your Own Backdrops

## The Service

**Choose Your Print:** Select between 2 x 6 photo strip or 4 x 6 classic print. Have up to 3 images printed instantly on 1 single photo paper.

**Choose Your Backdrop:** All photo booths include a green screen so you can choose from an assortment of different pictured backdrops. Want your own custom backdrop? Send us your own personal image and we'll digitally insert it. Custom logo insertion available too.

**Party Props Galore:** Each booth comes with over 40 props. We update our collection monthly so there is always something fresh and fun to put on. Get unique photos you won't find anywhere!

**\*Social Media Kiosk Upgrade:** Doin' it for the gram?

Share your pictures with your friends online! Our custom social media kiosks allow your guests to send the images to your friends and family instantly. Share any image from the photo booth on Facebook or send it via email.

**\*Memory Book Upgrade:** Tired of typical guest sign-in books? Take home an album book full of fun pictures! Your guests can take photos from the booth and place their picture along with their signature in your memory book.

## How it Works

**Setup:** Our team brings their own equipment for setup. We arrive up to one hour early before start time. Breakdown is included.

**Payment:** A 1/3 balance retainer is due upon signing of your agreement.

**Turnaround:** Receive your photos within 1 week of your event. \*Times may vary pending availability

# PHOTOGRAPHY

*Always be smiling!*

# PHOTOGRAPHY

**Want to look good?**

Our team will show you the VIP treatment. To tell you the truth, you're going to feel like a superstar!

# The Advantage

01

Own Your Photos!

02

Unlimited Images

03

Flexible Shooting Styles

## The Service

**Professional Photography:** 1 Professional Photographer will shoot unlimited images at your event. Choose any style: traditional, photo-journalistic, candid, portrait, editorial, stylized or any combination thereof.

**Copyright Release:** Receive your high resolution digital negatives. All clients are sent a Copyright Release Letter allowing you to print your own photos anywhere, anytime. Your intellectual property is yours to own and keep.

**Online Image Gallery:** Online password-protected image gallery for you and your guests. All images are uploaded online in a simple and easy way to access and share them.

**Slideshow:** Social media slideshow of Photographer's Top Pics. We'll take your best pics and compile them into a rewarding keepsake to cherish for years.

## How it Works

**Planning:** We'll schedule your photographer to capture the shots you're looking for. We'll talk about when they should arrive, what style you are wanting, and when is the most efficient time to have them. Afterwards we will schedule your Official Design Session 10 days before your event to solidify the details.

**Setup:** Our team brings their own equipment for setup. We arrive up to one hour early before start time.

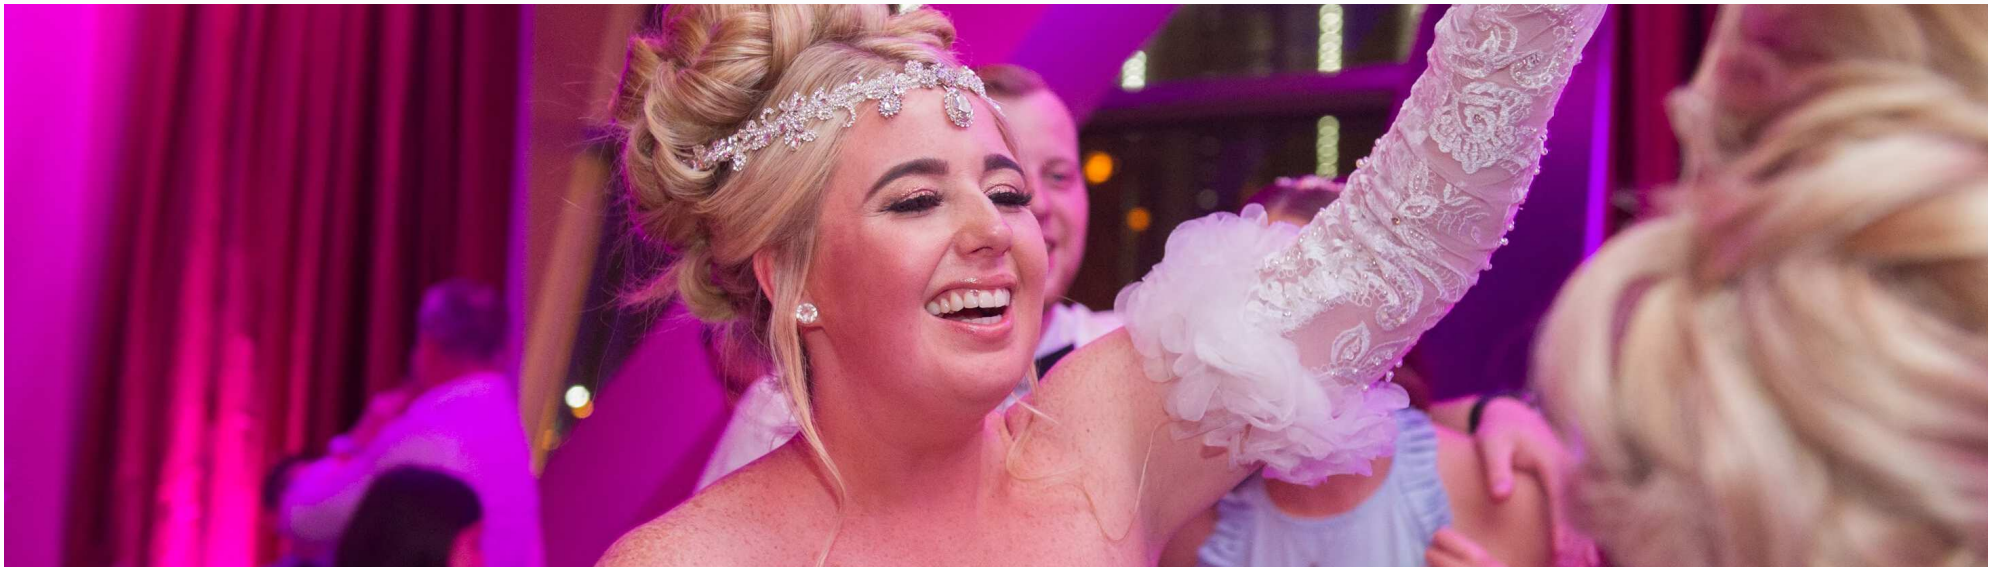

**Payment:** A 1/3 balance retainer is due upon signing of your agreement.

**Turnaround:** Receive your photos within 2 week of your event. \*Times may vary pending availability

# UPLIGHTING

*Create an atmosphere!*

# UPLIGHTING

**Transform an ordinary space into awesome.**

Imagine a vivid room radiating with color. Uplights set the tone for the evening. Create an atmosphere that feels good!

# The Advantage

01

Choose Your Own Colors

02

Indoor/Outdoor Possibilities

03

All Installation Included

# The Service

**Choose Your Colors:** Accent your room with ambient lighting. Have multiple colors on different fixtures. We recommend choosing 2 colors for a unique look.

**Low Profile Design:** All LED light fixtures sit low to the floor and are easily placed in locations free of foot traffic.

**Indoor/Outdoor:** All LED light fixtures are wireless and durable for indoor and outdoor usage. Use them in multiple rooms or spaces.

# How it Works

**Room Design:** We'll discover which colors will compliment your style and room. A room diagram can help us assist you in choosing the perfect placement for the most impact.

**Setup:** Our team brings all equipment for setup. We arrive up to one hour early before start time. Setup and teardown included.

**Payment:** A 1/3 balance retainer is due upon signing of your agreement.
