She/Her

“Ashleigh Nicole Tribble aka Ashleighchubbybunny is a NYC based sex positivity blogger, event planner, speaker, activist and brand ambassador who focuses on the liberation, respect and consideration of black people with an emphasis on fat liberation as well. Her diary like page is a representation of black, fat femme sexuality through a fully formed and self aware lens. It serves to dismantle internal biases and socially acceptable narratives against black, fat femme bodies, while empowering others to unpack their own.”
