

ELEVATED CONSTRUCTION

Raising the Construction Standard

Mission: Deliver Extreme Value through Unparalleled Client Service and Solutions

FOUNDATION

Elevated Construction was founded on the promise of creating committed, lasting Partnerships with every Client we serve.

To show our commitment to this promise, Elevated Construction provides an Industry First **Two-Year Limited Warranty** and a **Ten-Day Punch List Guarantee**. Elevated will provide you with extreme value by making your construction project our main focus while you continue to grow your core business.

Our commitment to Raising the Construction Standard applies to each of our Client relationships as well as all Project Stakeholders including Team Members, Investors, Brokers, Subcontractors, and Vendors.
