

Greetings Friend,

I am writing to express our enthusiasm in your interest in joining Greek Life. Look no further than EIU's Delta Chi Fraternity Chapter! Our all-inclusive group of men and non-binary individuals at Eastern Illinois University is open and welcoming to all who identify as male or non-binary. We are thrilled to know that you may be considering becoming a part of our "Brotherhood of a Lifetime."

Our fraternity is built on the values of Friendship, Character, Justice, and Education. We strive to prepare all our members for success in social situations throughout their lives, while holding ourselves to a high standard of character. You will find many Delta Chi's volunteering in many places and holding various leadership positions on campus. As a former Law Fraternity, Delta Chi and its members are committed to furthering justice. Every member of our Chapter is committed to doing the right thing, whether it be breaking up a fight or protesting the injustices of our government.

As a community of lifelong learners, we also place a great emphasis on education. Our members work together to constantly become better and brighter students, by being mentors, having study groups, and even gifts and rewards to a group within the chapter that attains higher grades cumulatively.

We hope you have had the opportunity to meet one or more of our members and have learned a little more about us and our values. We would love to meet you again and answer any questions you may have. Please do not hesitate to send me a text or email with my phone information below, or join us in our Discord channel, linked inside the flowpage link below.

Sincerely,

Spencer L. Pavletic
