

Berryhill Friends - I am excited to announce that I am running for re-election to the Berryhill School Board. This is an exciting time in our community. I am a proud Berryhill graduate and have spent my life serving the Berryhill community. My wife and three children are graduates of Berryhill High School. I have served in multiple booster clubs, PTAs, in my church and on the Berryhill School Board. I have been recognized by the Oklahoma State School Board Association with the Buddy Spencer Award which is given to the top school board member in the state of Oklahoma.

I am a lifelong public school advocate. In recent years the district has invested well over \$30,000,000 in bond dollars to build new buildings, improve existing buildings, and acquire new land to ensure that our school grows as our community grows. We have purchased buses, textbooks and invested in technology. Our graduation rate is among the highest in Oklahoma.

We have begun the search for a new Superintendent to lead Berryhill Public Schools for the next generation. We are also starting work on the projects which were part of the recent bond issue, which was passed by a large margin and was the largest in our history. I believe my experience will be valuable as we continue this important work. I will continue to listen and work hard to make sure your values are represented on the Berryhill School Board.

I am proud to have the endorsements of many Berryhill residents, teachers, pastors as well as former Superintendents, administrators and others who I have worked alongside to shape Berryhill into the wonderful community it is today. I will be sharing these endorsements with you on this page so please follow this page if you haven't already.

I would be honored to have your support and your vote.

Sincerely,
Jack Lollis
