

FASTER SINCE 1923

OLD BRISTOLIANS RUGBY CLUB

Old Bristolians RFC was founded in 1923 - we've been at the heart of the Bristol rugby world for almost a century. We've seen players from OBs move into representative rugby, graduating to international honours with England and Scotland under 20s, alongside others turning out for Bristol Bears, Wasps and Saracens.

We're proud of our past and even more excited about our future. We have a fantastic minis' and juniors' set up, with hundreds and hundreds of kids turning up, week in week out, playing our F.A.S.T.E.R. ethos of rugby. This ethos of Fun Attitude Sportsmanship Team Everyone and Respect permeates every part of the club, from our little tots, to our old arthritic Vets. Our Ladies' and Girls' section goes from strength to strength, with over 75 players training and playing hard. We're a family-first, all-inclusive club.

It matters to us to play rugby in the right way. Maybe this is the reason why we've appeared on BT Sport and the BBC so many times in connection with our on-field successes and our charitable endeavours.

Sponsorship with OBRFC can be as flexible as you need it to be. With packages starting at £450, all the way up to club-wide sponsorship for £20,000, we can tailor the package to your requirements. However, we go further than other clubs - if you are supporting us, it is only right that OBs supports you. Through the OBs Marketplace, our sponsors are actively promoted in internal and external comms, our fantastic social media team make sure you get the maximum benefit and exposure for your sponsorship of Old Bs.

As long-standing, respected members of the RFU, we can also offer guaranteed access to all England games played at Twickenham.

SPONSORSHIP OPPORTUNITIES	TEAM SHIRT SPONSOR	WEBSITE & SOCIAL MEDIA
OLD Bs MARKETPLACE	HOODIES / TRAINING TOPS	POST PROTECTORS / FLAGS

FASTER SINCE 1923

MINIS & JUNIORS RUGBY SPONSORSHIP

If you like Sunday morning peace and quiet, the OBs ground at Failand is definitely not the place for you. With hundreds and hundreds of Mini and Junior players, from schools and areas all around Bristol, Sunday mornings are noisy, energetic, muddy and most of all, fun.

Our M&J's section is supported by over 50 qualified, volunteer coaches, first aiders and team admins, alongside hundreds of supporters; mums, dads, carers and grandparents.

... Please forgive us this one small boast; our M&J's section is the envy of the majority of rugby clubs across the UK and we want to keep it that way.

Our kids are the lifeblood of our club, we couldn't be prouder to watch our boys and girls progress through the age groups, into the Colts, then in to University teams, up through the senior teams at Old Bs and then onto professional and international playing careers. We've seen players move into representative rugby, graduating to international honours with England and Scotland under 20s, alongside others turning out for Bristol Bears, Wasps and Saracens.

We put this success, whether playing professionally or playing for fun, down to our club ethos, playing F.A.S.T.E.R. - Fun Attitude Sportsmanship Team Everyone and Respect. We live and breathe it and it means our kids love being outside and love the game of rugby.

With the many hundreds of our own players and supporters, let alone all the visiting teams, our sponsors have the benefit of a huge audience; receptive, supportive and engaged. Whether the sponsorship is for club shirts, splash training tops, pitch-side boards... the list is almost endless, our sponsors are guaranteed to have a warm reception from all those who visit Old Bristolians RFC.

So why not take advantage of the noisiness, the energy and the fun (but maybe not the mud) - sponsoring the OBs Mini and Juniors not only supports grass roots rugby, it ensures you get something in return - a receptive audience.

FASTER SINCE 1923

LADIES & GIRLS RUGBY SPONSORSHIP

Old Bristolians Rugby Club is home to a thriving Ladies' and Girls' rugby section. It's a welcoming, enthusiastic group - loving rugby and loving playing together. The squad is always developing, new players joining season after season, drawn by our 'one club' F.A.S.T.E.R. ethos.

Our senior Ladies' team acts as role models for the girls at Old Bs, being actively involved in coaching and supporting them as they move on from mixed mini and junior teams into our established girls' teams. Becoming a sponsor means that you will be involved directly with the future of Ladies' and Girls' rugby in Bristol.

With over 75 players, our L&G's sections are at the heart of the club. Our seniors have a strong, local media presence, appearing on radio, promoting sport, exercise and friendship to women and girls. Old Bristolians see the continued development of our L&G's set up as a key marker of success - we want to reach more players, we want to support more teams, we want to be a counter balance to Instagram - we want to provide an opportunity for more women and girls to play sport, in a collegiate setting.

We'd love you to help us with this.

SENIOR RUGBY SPONSORSHIP

The senior men's teams of Old Bristolians RFC are serious about their rugby. As one of Bristol's leading rugby clubs, with a proud history and strong community spirit, becoming a sponsor enables you to be associated with a successful club, with the right values.

From the top to the bottom, our F.A.S.T.E.R. ethos matters, it is why we have one of the best disciplinary records across the leagues. We play expansive, exciting rugby - win or lose, we're here to play rugby the right way.

In the last 10 years, our 1st XV has won three leagues and four cups, while our 2nd XV has been promoted twice.

With 150 regular senior men's players, we have a wide base which has established a strong record of progressing players into representative rugby and beyond. Six OBs are contracted at Bristol Bears, Wasps and Saracens, with four representing England or Scotland U20s. This international stock carries on through the club as our Director of Rugby is the former England 7s player Simon Hunt - 'Hunty' is also heavily involved with the coaching of our M&Js.

Old Bs has no shareholders or profit distribution, so everything we earn goes towards the provision and development of the sport we love.

Like the rest of the club our senior Men's teams are looking to work with individuals and companies that share our love of sport, not just rugby, by creating a partnership that supports our common goals, values and objectives.

These values are underlined by our work in the community, raising over £250,000 for charity and appearing on the BBC and BT Sport numerous times.

Why not be a part of something pretty special?

VETS RUGBY SPONSORSHIP

Old Bristolians Rugby Club has a strong Veterans' squad of over 50 players and coincidentally, a fair few of them are over 50 too! As one of Bristol's leading rugby clubs the vets' side brings together past players of the club and new (aged) recruits.

But the real benefit of sponsoring the Vets, is that you form a direct link with a network of players who are deeply involved in rugby and the business and enterprise community of Bristol. Many own and run their own businesses, and some even have their own teeth.

It's a friendly group of players, involved in so many aspects of the club; from serving on the committees, to training and coaching the minis and juniors, to the important job of liaising with the RFU – all the while developing the club and the game of rugby for the next generation.

Many of the players run successful businesses right across Bristol, the South West and internationally. They form an influential and connected network. The Old Bs networking events, as just one example, have proved very successful for many, and combining this with the Old Bristolians Marketplace, enabling our sponsors to be promoted in internal and external comms, complements this network perfectly.
