Live it. Share it. Grow it.

WHAT ARE ESSENTIAL OILS?

Naturally found in the seeds, bark, stems, roots, flowers, and other parts of plants, dōTERRA® CPTG® Certified Pure Therapeutic Grade oils are 100% pure and used as a holistic approach to self care for a wide range of emotional and physical wellness applications with support by the scientific community. We provide natural solutions for a healthy lifestyle!

WHY dōTERRA®?

dōTERRA® IS DIFFERENT. Our CPTG® essential oils contain no fillers or artificial ingredients that would dilute their active qualities. They are free of contaminants and other toxic, chemical residues. While many oils claim to be therapeutic grade, few are subjected to rigorous testing standards for chemical composition, purity, and potency like ours. We work closely with leading chemists and growers to select botanicals of the correct species, grown in ideal environments, and carefully harvested at the right time. They are the safest and most beneficial oils available in the world today.

dōTERRA® IS MAKING A DIFFERENCE. Not only have we changed the essential oil industry for the better scientifically, we are also making a difference ethically with our Co-Impact Sourcing and Healing Hands Foundation.

HOW DO I USE THEM?

Ask me which books and apps I love to use for dōTERRA®!

A AROMATIC Essential oils can be very stimulating, calming or soothing when diffused or inhaled. They also cleanse & purify the air.

I INTERNAL Some essential oils can be used as dietary supplements for targeted wellness.

T TOPICAL They can be safely applied for topical benefit when diluted with a carrier oil.

FRANKINCENSE

- Supports healthy cellular function
- Promotes feelings of relaxation
- Improves skin imperfections

LEMON

- Cleanses the body, air & surfaces
- Promotes a positive mood

LAVENDER

- Soothes occasional skin irritations
- Promotes peaceful sleep
- Eases feelings of tension & anxiousness

OREGANO

- Potent cleansing, purifying, antioxidant
- Supports a healthy immune system, healthy digestion, & respiratory function

PEPPERMINT

- Promotes healthy respiratory function, clear breathing & digestive health
- Soothes occasional stomach upset

TEA TREE (MELALEUCA)

- Cleansing & rejuvenating effects for skin
- Promotes healthy immune function
- Protects against seasonal threats

dōTERRA BALANCE®

- Promotes an overall sense of relaxation
- Helps ease anxious feelings

dōTERRA BREATHE®

- Maintains healthy respiratory function
- Promotes restful sleep & easy breathing

DEEP BLUE®

- Soothes occasional aches
- Soothing pre- & post-exercise/workout

DIGESTZEN®

- Helps maintain a healthy GI tract
- Reduces bloating & gas

dōTERRA ON GUARD®

- Supports healthy immune system
- Purifies the air through diffusion

GUIDELINES FOR FLYING

Carry-on: You can fit as many oils as you need in a 1 quart-size ziplock bag per person. 15ML (our big bottles) is way below the TSA limit of 3 oz.

SAFETY Do not put oils in eyes, ears, or up nose! Citrus oils & ClaryCalm® are photosensitive, so avoid topical use 24 hours before sun exposure. Always drink out of stainless steel or glass when using oils. Dilute your essential oils with a carrier oil like fractionated coconut oil to ensure a positive experience. Extra dilution for babies, children, elderly & individuals with sensitive skin is recommended. Standard adult recipe for 10mL roller: 1/8 -1/2 essential oils + carrier oil
