ComEd Energy Efficiency Program

Home Energy Savings

Schedule a FREE Home Energy Savings assessment and receive personalized savings recommendations plus FREE and discounted energy-saving products. If your home and household income meet qualifying guidelines, you may be eligible for a free energy efficiency retrofit, including air sealing and insulation, and extra energy saving products. Multi-family buildings are eligible to participate too!

Rebates & Discounts

Get rebates for purchasing qualifying ENERGY STAR® certified appliances, smart thermostats, home products and heating & cooling equipment and services. Also, take advantage of instant in-store discounts on select energy-efficient lighting and home products at a retailer near you. Look for the ComEd Lower Price sticker to save!

Food Bank Distribution

Pick up FREE ENERGY STAR LEDs and other energy saving products at participating local food pantries.

Energy Savings Kits

Contact your local community agency and those that qualify may receive a FREE energy savings kit that includes a variety of ENERGY STAR LEDs, an advanced power strip, faucet aerators and more.
