What hours are you open?

Beginning April 21st, we will be open from 2pm-8pm Monday-Thursday and 1pm-9pm on Friday-Sunday.

Can I mix more than one flavor in a cup or cone?

Yes! We can also do half scoops if you order a small cup or cone.

What mix-ins can I add to a Flurry?

We have Cookie Dough, Heath, M&Ms, Gummi Bears, Reese's Pieces, Reese's Cups, Snickers, Nerds, Whopper, Butterfinger, and Kit Kat pieces. All mix-ins are \$0.50 each.

What flavors do you offer for your shakes?

You can make a shake out of any of our available flavors!

What is the difference between a basic and specialty sundae?

Our basic sundaes are Hot Fudge, Caramel, and Strawberry. Any other add-ins promote the sundae to a specialty price.

What are your available sundae toppings?

We have caramel, hot fudge, chocolate sauce, marshmallow, and butterscotch liquid toppings, as well as mixed nuts, pecans, rainbow sprinkles, chocolate sprinkles, pineapple chunks, strawberry topping, whipped cream, and cherries.

What toppings and flavors are on a banana split?

Traditionally, we use vanilla, strawberry, and chocolate ice cream. We top the sundae with a banana, hot fudge, strawberries, pineapple, whipped cream, nuts, and a cherry.
