ABOUT ME

Hi, I'm Amanda! I'm a Loan Originator based in Greenville, SC. I'm a wife to Benji, mom to Abigail & Kaitlyn, and a long time South Carolina resident. I love my job, and I work a lot, but I enjoy getting to know the people I work with, so here's a little bit about me! When I'm not working, I'm usually in a workout class or dining at my favorite restaurants around Greenville with Benji. Between Kaitlyn's golf tournaments and visiting Abigail in Alabama, we stay busy! When we need a little escape, our family loves weekend getaways to Pawley's Island. Let's get to know each other more over a coffee or a cocktail - I'm not picky!
