Info:

Once an appointment is made I will send you a property prep list. All preparations needs to be completed prior to arrival. I will not be able to prep the property for you. You want the property to be ready for a photoshoot and this involves the cleaning and organization of interior and exterior areas. Just remember this is what potential clients will view when making their decision to purchase or rent your property. I look forward to working with you. Feel free to contact me by phone or email anytime.
