

Education Specialist Services 4KIDS

Mission Statement

Education Specialist Services 4KIDS provides positive educational advocacy that effectively navigates the educational system for the welfare of foster youth or at risk youth in the state of California, on a collaborative basis with social workers, probation officers, school personnel, county school programs, guardians/caregivers/educational rights holders/CASAs, community service providers and specialists.

Education Specialist Services 4KIDS

Vision Statement

Guided by hope and heart, we presume competence in all students and strive to improve their lives through education. We understand that it is only by seeing the child's best interest that such a vision can be achieved.
