

PETITION To the Legislative Assembly of Alberta

The undersigned residents of Alberta are petitioning for the complete removal of the SOGI 123 policies, procedures and curriculum resources currently being implemented in the Alberta Public School System. SOGI 123 directly violates Section 2 of the Canadian Charter of Rights and Freedoms, whereas Canadians are free to follow the religion of their choice. In addition, Section 2 of the Canadian Charter of Rights and Freedoms guarantees freedom of thought, belief, and expression. SOGI 123 directly contradicts our religious freedom and our freedom of thought, belief, and expression. Section 2(a) of the Canadian Charter of Rights and Freedoms states that parents have the constitutional right to determine all aspects of their children's education. Many parents within Alberta represented by this document strongly disagree and oppose the teaching of SOGI 123 to their children. The petitioners therefore request the immediate and complete removal of SOGI 123 from the Alberta Public School System.
