## NON-SURGICAL SERVICES (FACE)

### **INJECTABLES**

*Live your best life: we offer neurotoxins: Botox/Dysport, and facial fillers for your lips, face, nose, earlobes, or hands, Kybella for under-the-chin, and collagen builders for full facial rejuvenation with Sculptra or Radiesse to enhance and correct your natural features.*

### **IPL (PHOTO FACIAL)**

*Brighten up with IPL (Intense Pulsed Light)! This treatment targets red and brown age spots, sun spots, rosacea, and more, giving the skin a revived, brighter, even-toned appearance.*

### **MICRONEEDLING WITH OR WITHOUT PRP**

*Get your glow on: microneedling with platelet-rich plasma (PRP) helps to stimulate collagen production and encourage new cell growth. This popular procedure is also known as the Vampire Facial.*

### **MORPHEUS8 FACE**

*Safe to use on all skin types, this device offers a minimally invasive approach to epidermal resurfacing and subdermal remodeling. Morpheus8 face treats surface issues such as enlarged pores and acne scars, as well as collagen tightening and active cystic acne.*

### **RESURFX SKIN RESURFACING**

*Refine your skin's tone, texture, and overall appearance with this laser skin resurfacing treatment. The best part? Minimal downtime, and results that will only continue to get better and better.*

### **SKIN PEELS- MEDICAL GRADE**

*Tone, tighten, and glow! The Perfect Peel® perfects all skin types. Or, customize your experience by selecting one of our three SkinMedica peel options.*

### **STERIOD ACNE INJECTION**

*Zap problem blemishes with a quick injection.*

### **VENUS VIVA SKIN RESURFACING**

*Transform with this radiofrequency treatment designed to address signs of aging, acne scars, and textural irregularities all while shrinking pores and tightening loose skin. This device is safe to use on all skin types.*

### **YOVINOMD FACIALS - MEDICAL GRADE**

*Enjoy a customizable facial to your skin type to address conditions such as aging, hyperpigmentation, skin brightening, acne, or dryness. We use only YovinoMD Beauty's medical grade products, which are free of harmful ingredients and packed with high concentrations of peptides and growth factors.*

## NON-SURGICAL SERVICES (BODY)

### **CELLFINA**

*Reduce and diminish the appearance of cellulite with this non-invasive treatment.*

### **LYMPHATIC MASSAGE**

*Have swelling after surgery? Lymphatic massage is an excellent technique to aid in the reduction of edema after a surgical procedure. Can be done on the face or body.*

### **MORPHEUS8 BODY**

*Safe to use on all skin types, Morpheus8 Body works on the deep tissue to remodel adipose tissue and tighten the skin.*

### **ND:YAG VASCULAR CORRECTION**

*This laser treatment uses Multiple Sequential Pulsing to target visible veins and vascular lesions. Known as a “lunch-time” treatment, you can usually have a session completed over your lunch break.*

### **QSWITCH TATTOO REMOVAL**

*Get a fresh start: this laser treatment gently removes unwanted pigment by deeply penetrating the skin in order to break up the ink particles.*

### **SCAR TREATMENT**

*We expertly revise, minimize, and treat the appearance of body and surgical scars, both surgically and non-surgically.*

### **SCULPTRA BREAST AND BUTT AUGMENTATION**

*This injectable treatment allows you to sculpt the perfect curves without going under the knife.*

### **SKIN TAG REMOVAL**

*We quickly, easily, and accurately target and remove skin tags for optimal skin appearance.*

### **VENUS LEGACY**

*Relax and enjoy this radiofrequency-based treatment designed to tighten skin, repair wrinkles, and reduce the appearance of cellulite.*
