

We wish you a good time at our little place  
With GREAT COMPANY, TASTY FOOD, REFRESHING  
DRINKS and PURE QUALITY TIME.

This at least is our Goal and yours probably too.

If for any reason this goal seems to be in danger,  
please let us know immediately if we can make it  
better for you.

No matter what it is...our Service, Food, Drinks, Decor,  
Location, Music, No Music or just a bad day...just let  
us know.

**Yelp, Google, Facebook, TripAdvisor also cannot fix it**  
(instead a bad review just causes severe damage to a small businesses and a  
good one can be a blessing)

But WE might be able to fix it and will for sure try  
(but the decor and the recipes. ;)

*Thank you*
